Dashboards

Key Agency Benefits

🛡 Police Chiefs

✓ Force multiplier effect - do more with existing staff and resources

✓ Real-time operational intelligence for faster decision making

✓ Improved response times and officer safety

✓ Enhanced community protection and crime prevention

🔍 Crime Analysts

✓ 60-70% reduction in manual data processing

✓ Proactive crime prevention through pattern recognition

✓ Advanced ArcGIS spatial analysis tools

✓ Automated reporting and trend identification

Law Enforcement Operations Platform

GeoShield Real-Time Dashboard
A force multiplier that unifies operations, accelerates response, and puts an app on every officer's phone for enhanced safety
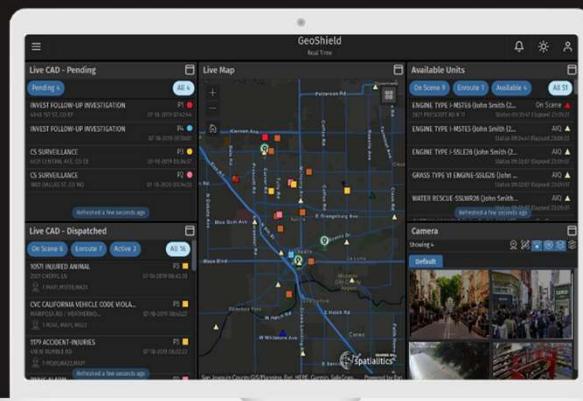

GeoShield Crime Analysis Dashboard
Prevent crimes before they happen with intelligence-led policing

GeoShield Insight Dashboard
Instantly distribute BOLOs, crime alerts, and operational priorities to all personnel in real-time

GeoShield Communities
Build community trust through anonymized public crime mapping

GeoShield Mobile App
Enhanced situational awareness on mobile devices through live video, active calls and critical alerts.

GeoShield ArcGIS Pro Add-In
Maximize your Esri investment with specialized law enforcement analytics
